

Help Shape the Future of South High Scholarships

We Would Love Your Thoughts

For many years, **South High Alumni and Friends, Inc. (SHAFI)** has proudly supported South High School through programs that strengthen our school and student community. Today, SHAFI provides funding for **Giving Grocery**, supports JROTC and student athletic programs, and publishes our South High alumni newsletter three times each year, helping alumni stay connected with one another and with the school they love.

As we look toward the future, the SHAFI Board is exploring the creation of a new committee or fund—the **South High Scholarship Foundation (SHSF)**.

The purpose of the Foundation would be simple: **to create additional scholarship opportunities for South High graduates.**

The Scholarship Foundation would operate separately from SHAFI, with its own committee, leadership, financial records, and scholarship program. While the two organizations would work closely together, the Foundation would have a singular purpose: **every dollar donated to SHSF would be dedicated exclusively to scholarships and scholarship-related recognition for South High students.**

Our vision is to create a lasting legacy that allows alumni, families, businesses, and friends of South High to invest directly in the educational future of our students. In addition to Foundation-sponsored scholarships, alumni and families could establish named scholarships that honor loved ones, celebrate graduating classes, recognize teachers or coaches, or support fields of study that are meaningful to them.

Before moving forward, we would genuinely appreciate hearing from our alumni community.

- Do you believe a South High Scholarship Foundation would benefit our students?
- What types of scholarships or educational opportunities would you like to see?
- Would you be interested in serving as a volunteer, committee member, scholarship reader, or donor?
- Do you have ideas or experiences that could help us build a strong Foundation?

This is an exciting opportunity to build upon SHAFI's long tradition of supporting South High while creating a permanent legacy that invests in future generations of students.

Your thoughts, suggestions, and questions are important to us. We hope you will take a few moments to share your ideas. Together, we can build a Scholarship Foundation that reflects the generosity, pride, and traditions of the South High community.

Leave a Legacy. Inspire a Future.
